Pail/Per Month	50% Subsidy	-R 63,73	-R 73,29

The municipality has conducted a cost of supply study on all tariffs. The study revealed that almost all the services are currently being rendered at below cost which puts enormous strain on the cash flow of the municipality. It is therefore imperative that these tariffs be changed to include the new baseline tariff.

The indigent support is also available to assist indigent households that have limited financial ability to pay for municipal services. Please visit our municipal offices for applications.

Dr EM RANKWANA
MUNICIPAL MANAGER
