Let me know as soon as your admission fee is settled so that I can be able to arrange and confirm the time and place for your interview.

As a small company we have adopted the new Shoprite Money Market Service particularly for this project. It's really cost effective and convenient compared to normal banks that charge overwhelmingly. We encourage saving in order to grow and become the like of Cozens and Quest. All you need when making the payment is your ID. Once complete, forward the unique M number & Pin. As soon as we receive the confirmation, one of our consultants will contact you to confirm the payment received and provide the time and place for your interview.

Good luck and God Bless you

Best regards,
