# FOUNDERS MESSAGE

**Dear Friends,**

I am thrilled to introduce you to the Dr. Ansua Foundation, a compassionate initiative dedicated to bringing smiles and healing to the lives of people in need. Our mission revolves around transforming lives through medical interventions. However, we specialize in providing support for patients who require minor surgical procedures to enhance their quality of life.

At the heart of our foundation lies the belief that every individual deserves the chance to experience good health and happiness. We understand that even small surgical procedures can have a profound impact, allowing individuals to regain their confidence, mobility, and overall well-being. Our commitment is to make these transformative procedures accessible to those who might not have the means to undergo them.

Through the Dr. Ansua Foundation, we aspire to create a community where empathy, healing, and hope thrive. We are determined to collaborate with skilled medical professionals, partner hospitals, and generous donors who share our vision of a world where no one is left behind due to lack of resources.

With your support and participation, we can extend our reach and touch more lives. Together, we can make a meaningful difference by enabling individuals to overcome health-related obstacles and embark on a journey towards a brighter and healthier future.

Thank you for joining us on this compassionate mission. Let's work hand in hand to bring smiles back to the faces of those who truly deserve them.

Warmly,

**Dr Ansua Steyn**

**Dr. Ansua Foundation**

The **Dr. ANSUA FOUNDATION** is a non-profit organization dedicated to providing access to small surgical procedures for people in need. Our foundation aims to bridge the gap in healthcare services by offering surgical care, support, and rehabilitation to underserved patients. Our focus on minor surgical procedures will contribute to improved quality of life, increased productivity, and reduced healthcare disparities among our population.

## MISSION:

To empower people by providing accessible, high-quality surgical procedures, fostering health, dignity, and well-being.

## VISION:

A world where all patients have equal access to essential surgical care, enabling them to lead fulfilling lives.

**Access to Care:**

Establish a network of partner hospitals, clinics, and surgical centres to provide a wide range of minor surgical procedures to eligible adults.

**Outreach and Awareness:**

Raise awareness about the importance of minor surgical care for adults through educational campaigns, community events, and media.

**Fundraising:**

Develop a robust fundraising strategy to secure financial resources necessary for surgeries, post-operative care, and program expansion.

**Collaboration:**

Foster partnerships with medical professionals, healthcare organizations, and government agencies to enhance the reach and impact of the foundation.

**Empowerment:**

Offer pre-operative and post-operative counselling, along with rehabilitation services, to empower patients in their journey towards recovery.

# DR. ANSUA FOUNDATION MODEL

## Surgical Procedures:

Provide a wide range of minor surgical procedures including cyst removal, lipoma removal, skin cancer, Xantelasma, scar revision surgery etc.

## Pre-operative and Post-operative Care:

Offer comprehensive care packages that include medical evaluations, pre-operative counselling, surgical procedures, and post-operative follow-up.

## Rehabilitation:

Collaborate with physiotherapists, rehabilitation centres and laser centres to ensure patients regain optimal function and wound care post-surgery.

## Patient Support:

Provide emotional and psychological support through counselling services, support groups, and community engagement.

# TARGET BENEFICIARIES

Underserved and economically disadvantaged adults who lack access to essential surgical care due to financial constraints and limited healthcare resources..

### **Network Development:**

Establish partnerships with hospitals, surgical centres, and clinics across target regions to provide surgical services.

### **Patient Identification:**

Collaborate with local healthcare providers and community organizations to identify eligible patients in need of surgical procedures.

### **Fundraising:**

Organize fundraising events, corporate partnerships, and grant applications to secure financial resources for surgeries, post-operative care, and program expansion.

### **Awareness Campaigns:**

Utilize social media, workshops, and community outreach to raise awareness about the foundation's mission and the importance of minor surgical care.

### **Collaboration:**

Partner with medical professionals, NGOs, and government agencies to maximize the impact and reach of the foundation's services.

### **Start-up Costs:**

Establishment of the foundation, initial partnerships, and awareness campaigns.

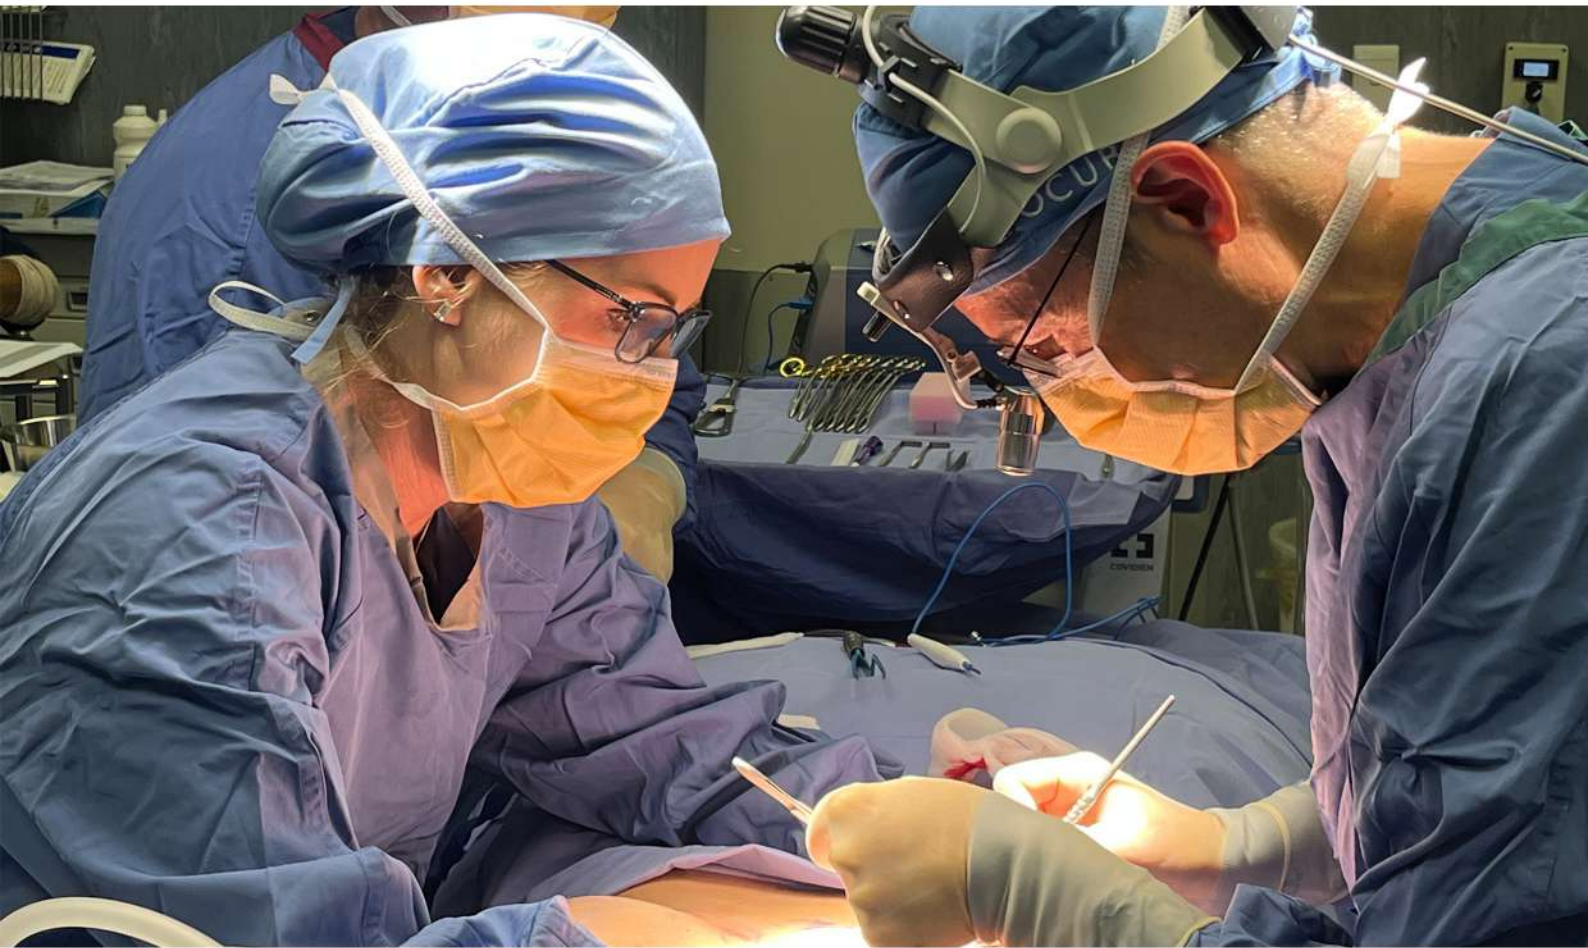

### **Operational Expenses:**

Surgical procedures, pre-operative and post-operative care, patient support, and rehabilitation services.

### **Revenue Generation:**

Fundraising activities, corporate sponsorships, grants, and individual donations.

### **Number of Procedures:**

Track the number of surgical procedures conducted annually.

### **Patient Outcomes:**

Monitor post-operative recovery and improvement in quality of life for beneficiaries.

### **Community Engagement:**

Measure the effectiveness of awareness campaigns and community engagement in promoting access to surgical care.

### **Partnerships:**

Evaluate the growth of partnerships with healthcare institutions and organizations.

## **IMPACT MEASUREMENTS**

# CONCLUSION

The **Dr. Ansua Foundation** is dedicated to providing minor surgical care to underserved patients, addressing a critical gap in healthcare services. Through partnerships, awareness campaigns, and a strong commitment to patient well-being, the foundation aims to create a positive impact on individuals' lives, communities, and society as a whole. By focusing on minor surgical procedures, we aspire to bring smiles and renewed hope to people who deserve the opportunity for a healthier, happier life.

# HOW YOU CAN HELP

You can be a part of the transformation we bring to adults' lives. Join hands with Dr. Ansua Foundation to make a difference through:

## **Donations:**

Your contributions help us provide surgical care, support, and rehabilitation to those in need.

## **Volunteering:**

Share your time and expertise to assist patients during their surgical journey.

## **Spread Awareness:**

Help us raise awareness about the importance of minor surgical procedures for adults.
