- 2 cups (10oz/300g) raspberries
- 1 cup (5oz/150g) blueberries
- ½ cup (2 ½oz/71g) pomegranate seeds
- Mint to decorate

INSTRUCTIONS

- Preheat the oven to 300°F (150°C). On a piece of parchment paper, roughly draw a 12-inch (30cm) circle. Turn it over and place it on a baking sheet.
- Using an electric stand mixer or hand mixer, whip egg whites in a clean bowl for 2 minutes on low speed until bubbles start to form.
- Turn the machine up to medium-high speed and continue whipping until the egg whites start to reach soft peaks, roughly 2-3 minutes.
- Slowly start to add the sugar 1 tablespoon at a time until it is all incorporated. You will see the egg whites double in volume and get shiny.
- Once all the sugar is incorporated, add cornflour and the vinegar. Continue mixing for 2 more minutes and then turn off the machine.
- Using a large spoon, dollop the meringue around the circle leaving a hole in the middle just like a Christmas wreath.
- Turn down the oven to 250°F (125°C) and bake the Pavlova for about one hour 15 minutes. After that time, turn off the oven but leave it in the oven to dry out for 3 hours (or overnight).
