Mosselbaai-munisipaliteit bedank ons gemeenskap wat die bepalings van die COVID-19 inperkingsmaatreëls nakom. Soos ons besigheidsgemeenskap, wil die munisipaliteit ook hê dat omstandighede gou na die beste moontlike vlakke van normaal terugkeer en het daarom vertoë in hierdie verband aan die relevante owerhede gerig.

Inwoners se samewerking om die verspreiding van die COVID-19 coronavirus in die Tuinroete teen te werk, is daarom van kernbelang. U moet asseblief u gesigmaskers dra. Hou asseblief streng by die aandklokreël en moenie u huis verlaat tensy u 'n noodsaaklike diens verrig, vir noodsaaklike redes buitenshuis moet wees, of tydens die gestelde tye oefen nie.

U samewerking is deurslaggewend in die stryd om ons ekonomie te red.

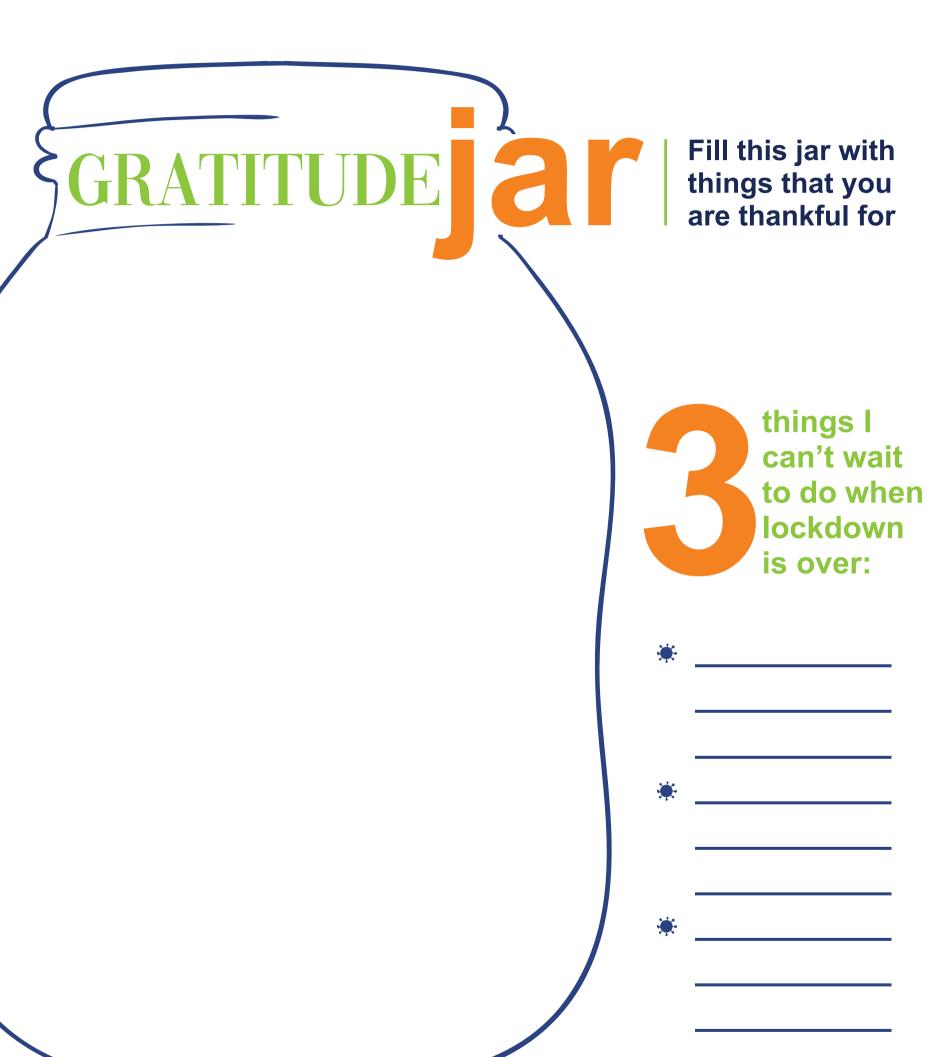

Mossel Bay Municipality thanks our community for complying with the restrictions of the COVID-19 lockdown regulations. Like our business community, the municipality also wants circumstances to return to the best possible levels of normalcy as soon as possible and has therefore made representations to the relevant authorities in this regard.

Residents' cooperation to counter the spread of the COVID-19 coronavirus in the Garden Route is therefore of key importance. Please wear your face masks. Please adhere strictly to the curfew and do not leave your home unless you are required to do an essential service or need to leave your home for essential reasons, or are exercising during set times.

Your cooperation is decisive in the effort to save our economy.
